RECREATION DEPT. FOOTBALL SCHOOL TO BEGIN THIS WEEK

ATTENTION BOYS!! Football School starts tomorrow at 10 a. m. on Jefferson Union High School football field, under the sponsorship of Daly City Recreation Department.

The coaching under the direction of Elman Rose, director of recreation, Joe McGrath and Clarence Lair, will include training in passing, running, pass catching, punting, blocking, team formations and football plays.

All three coaches have been on college teams. Rose on University of California, McGrath on Santa Barbara State and Lair on St. Mary's. Assisting them will be Don Pagini, Lester Maurel and Harold Edwards, physical education instructors of Jefferson School District.

Also on hand on the field will be Dick Wilson, former S.F.J.C. footballer; Bob Seiler, now playing football for S. F. State, and Franklin Hukari, playground director at Marchbank park.

The coaches plan to set up teams representing Crocker, Woodrow Wilson, Jefferson and Our Lady of Perpetual Help. The teams are to play in a touch football league of four teams. Each team will play the others twice for a six game season. Games will be played Saturday morning at the high school.

Each squad will be composed of 10 to 15 boys. The games will be played with six boys on each team. The league will be known as the Daly City A Touch Football League. If enough interest is shown, a "B" league will also be organized to allow more boys to play.

The winning school will be awarded a fine football trophy, and there is to be a trophy for the B team also. Trophies will be donated by the Daly City Merchants Association.

Meat Merchants Will Support The Meatless Day Idea

Daly City retail meat merchants indicated they were more than willing to comply with President Truman's proposed meatless day. Greatest plaint seemed to be their desire to make it a meatless Monday, rather than Tuesday. The gentlemen would like their "days off" to run in sequence.

Mike Bertolucci of Milo's Market said they would like to close and were waiting for a confab with the San Francisco Meat Dealers Association and Butchers Union. As soon as these organizations have a concrete plan, he will shut down for one day. Incidentally, Mike says sales dropped off 25 per cent last Tuesday.

Duty-bound, the fish and poultry man at Milo's, John Guidotti, is going to have to stay open whether he wants to or not, because housewives are supposed to be filling in their menus with fish.

Farmer's Market is going back to the Monday closing, and Proprietor Joe Fresengorg sighed with relief as he announced it.

Manager of Safeway market, Vincent Moriconi, thinks the meatless day is a good idea, he even thinks it may check the rising prices. He isn't sure of Safeway's policy at this point, but believes they may use a Monday closing.

Al Raffo of Vista Grande hopes to close one day a week, and has been hoping to do so for some time. He favors the Monday closing.

All in all, it looks as though Mr. Truman were going to be able to accomplish the desired meat saving without drastic legislation, especially if housewives cooperate as well as the butchers seem to want to.

Police Chief Talks To Lions Club

Police Chief Wilbur W. Sunderland addressed fellow Lions at their weekly luncheon Wednesday on the functions of local police in protecting merchants and citizens. He outlined the policy in regard to solicitors and peddlers and explained other safeguards provided by the force.

Local Cleaners Close Sat. Noon

Saturday night may be disappointing to local gentry who want to wear anything left at the cleaners, unless they heed the warning of the new noon closing hour of these establishments.

The following cleaning shops will CLOSE AT NOON SATURDAY: Maxwell, 7348 Mission street; Midtown, 7146 Mission; Westlake, 278 Miriam street; Daly City, 6287 Mission; Modiste, 6149 Mission; Zugar, 8 Wellington avenue.

Flags At Half Mast In Honor Of The World War Dead

Members of the community who are displaying the flag are asked to lower the colors to half mast in cooperation with city and school officials in observance of the first contingent of the remains of our armed forces which are being returned today from the site of the Pearl Harbor attacks.

So far as it is possible to learn, there are no Daly City boys in this group, but there are 14 out of the county being returned and our city is making solemn observation of their arrival in sister communities.

Girl Scouts Hold "Kickoff" Rally On Mission Street

The Girl Scouts as an agency of the Community Chest held their own kickoff rally in a miniature camp on Daly City's main street last Saturday.

Using transplanted trees and shrubbery to mark off the camp, the scouts then divided the site into a craft corner, a nature nook, and a camp kitchen.

The craft corner featured girls at work on crafts, the nature exhibit, bird pictures, nests and insect studies and the kitchen provided "bread on sticks" for passersby.

Women assisting in the project are: Mrs. Muriel Pabst, day camp chairman; Mrs. Hilda Heagney, finance chairman, and Mesdames Dorothy Kramer, Irene Cripps, Thelma Hamilton and Marie Miller.

Two Girl Scouts from each troop in Daly City and Colma participated. They are Janice Toole, Irene Wilson, Patricia Boyle, Beverly Heagney, Joan Clement, Heather Bridges, Jane Kennedy, Jean Chamberlain, Marguerite Cripps.

Linda Amundsen, Lorraine Cady, Lois Kramer, Shirley Melicker, Elissa Marquez, Diane Thompson, Mary Alice Cloverdale, Phyllis Blackburn, Mary Jones, Marianne Zaone, Shirley Filippo, Elaine Sorrells, Diane Trache, Joan Van Vliet, Louise Banfield, Margaret Runge, Gladys Kchenoa.

Woodrow Wilson PTA Executive Board To Meet

Woodrow Wilson P.T.A. executive board will meet October 14 at 12:30 p. m. in the home of Mrs. Mildred White, 176 E. Vista avenue. Co-hostess will be Mrs. Ruth Emerson.

PARENTS ASKED TO COOPERATE WITH SCHOOLS

Attendance records and causes of absence are receiving added attention in all California schools this year. Principal reasons for the emphasis being given to absences and their causes are to be found in new laws passed by the last session of the state legislature.

No longer will notes reading, "Please excuse Johnny's absence" be sufficient. Indeed even when mother adds, "He was ill," the schools must ask for more. The state form, which must be used, requires that the "nature of illness" must be recorded.

Absence due to "verified illness" no longer are counted for state apportionment purposes. It therefore becomes necessary for each school to check carefully and record accurately.

In short, if Johnny is ill and proper procedures are followed, the local school will not lose the state apportionment for that day of attendance.

Several thousand dollars per year will accrue to local schools because of this new law. The administrations are carefully following instructions so the schools will lose no money through faulty practices or records.

Parents are asked to be specific when writing excuses for absence. The nature of the illness is a required bit of information.

ATTENDS LEGION MEET

John J. Derungs, who attended the 29th annual convention of the American Legion Department of California as a representative from local Post No. 410, reports he had an interesting time, but states dryly, "the weather was somewhat unusual, to his conception."

Police Officers Arrest Man On Disturbance Charge

Officers Henry Sundermann and George Hopman bagged an interesting catch last Saturday noon in reply to a call from the Veteran's Inn reporting a "disturbance."

Noel Everett, 4855 Mission street, was discovered all upset and angry because (according to the police blotter) L. R. Jungclaus of this city had thrown the knife with which Everett was assertedly threatening Charles Hallam jr. up on an adjoining roof.

Upon further examination Everett was found to be carrying a wallet with identification papers of another man. J. W. Huntsman of Hollister, to whom the wallet belonged, said it had been taken from him when he was slugged by three men the night before.

Everett, who is reported to have a San Quentin record for a robbery in San Francisco, was turned over to the police of that city.

Veteran Firemen To Hold Picnic Sunday, Oct. 19th

Daly City Veteran Firemen's Association will hold an all-day picnic in Flood park on Sunday, October 19. Members and their friends may arrive as early as 9 a. m., and according to all reports may also expect a Good Time.

At the October 3 meeting of the organization, members were shown movies by Salvador La Bue and Captain Tom Joyce of Company No. 1. The films shown by Captain Joyce on fire prevention will be shown to all Daly City school children.

Next meeting of the D.C.V.F.A. will be held on November 7 at 188 Santa Barbara avenue at 8 p. m.

Girl Scout Head Held Consultations

Mrs. Edward Gould, executive director of Girl Scouts of America in this area, held consultations on Girl Scouting yesterday in the city hall caucus room between the hours of ten and four.

Building Permits Since October 1st Amount To $37,000

Building permits issued since the first of October as announced by A. J. Bodien, city building inspector, total $37,000. They were issued as follows:

To Axel Lunn, for a $5,000 five room house at 119 Los Olivos avenue; to Sterling Building Company for a $5,000 five room house in Block 21 Vista Grande Tract; to James A. Mayer and S & Q Construction Company two $8,000 houses in Block 21 Vista Grande Tract; to Sterling Building Company, two $5,500 houses in Block four, Metropolis Homestead Subdivision.

Plead Guilty To Drunk Charges, Are Fined $100 By Judge

Harold D. Swett and Roy R. Quanstram, who pleaded guilty to separate charges of being drunk in and about an auto, were fined $100 in Municipal Judge William J. Sweeney's court on October 3.

Swett, who resides at 135 Occidental avenue in Burlingame, was arrested September 13 at 6836 Mission street. Quanstram, 108 Manor drive, San Francisco, was arrested September 23 on Junipero Serra boulevard.

Chest X-Rays Are Urged For All By County Association

The Tuberculosis and Health Association of San Mateo County urges all persons who have never, or have not recently had chest X-rays, to contact Association headquarters for an appointment.

Appointments may be made for the days on which the Christmas Seal mobile X-ray laboratory will next be in Daly City. Write headquarters at 115 South Ellsworth avenue, San Mateo, or phone San Mateo 3-6274.

The X-rays will reveal tuberculosis, heart trouble or curvature of the spine — any of which could develop without the individual being aware of it. Reports are confidential.

Traffic Fines Swell Coffers At Municipal Court

Daly City Municipal court, for the week ending October 3 collected $332 for traffic violation conviction fines. Of the 92 violations, 41 were for speeding and 31 for parking violations.

Reports from the Municipal court for September reveal the office took in $2851 of which only $200 was for criminal cases. The remainder was in traffic violation fines.

General Pershing PTA Hear Talk By Stanford Hannah

Stanford Hannah, principal of Jefferson Union High school, addressed members of the General Pershing P.T.A. on "Education for a Changing World" on October 7.

He was introduced by Mrs. George Freeland, program chairman. Members were entertained by the Jefferson School District Mothersingers.

Sewing Chairman Mrs. Abe Gensel announced a meeting of the sewing circle Friday (today). Mrs. Thelma Holcomb announced the plans for a whist party to be held October 15. A special executive board meeting will be held at 8 p. m. tonight in the home of Mrs. Lyal Ingersoll, 439 Crocker avenue.

OCTOBER 10 AND 11 DESIGNATED AS WAR DEAD DAYS

October 10 and 11 have been designated as War Dead Days throughout the Bay Area.

Approximately 3,000 bodies are being shipped back from the South Pacific area and the first shipment will pass through the Golden Gate at noon on Friday, October 10.

The San Mateo - Santa Clara County Council of the Veterans of Foreign Wars request your cooperation in commemorating these two days in honor of these men who gave their lives on foreign soil that our American way of life might go on.

All flags should be at half-mast during both days and all church bells toll at noon of each day.

Many of the churches have signified their intention of holding special services and the radio and newspapers will carry press releases on future developments in relation to the commemorative services.

Legion Auxiliary Pot-Luck Dinner Slated October 25

Daly City American Legion Auxiliary Post 410 will hold a pot-luck dinner and Hallowe'en party on October 25 at 7 p. m. in the Legion hall. Members and their families are invited to attend.

The lady legionnaires, at the October 1 meeting heard the report on the State Convention from delegates, Mrs. Ann Welch and Mrs. Milton Kenney.

On September 17, guest speaker was Durant Mosley, member of Jefferson Union High School faculty. Guest at the meeting was Mrs. L. F. Goodman, past president of Forest Hills, Illinois Post 414 Auxiliary.

Administrators Of Local Schools Attend Conference

R. L. Crane and Stanford Hannah, local school administrators, attended the conference of school superintendents held in Sacramento last week. The meetings drew several hundred members from all parts of the state.

The conference was arranged by Dr. Roy Simpson, state superintendent of public instruction, and Jackson Price, of Redding, president of the California Association of School Superintendents.

Among the principal speakers were Dr. George Strayer, who recently completed a study of the California Public School system, Dr. Paul Hanna, of Stanford University, and Dr. Walter Hepner, president of San Diego State College.

Preceding the conference of superintendents was one of school trustees. Mrs. Stella Jensen, of the San Mateo Junior College board, Mrs. Nell Dorrance, member of the Jefferson Elementary School board, and Remi Sanders, chairman of the board of trustees of the Jefferson Union High school were in attendance.

Mrs. Florence Porter, of Bakersfield, secretary of the California School Trustees Association arranged the convention program.

Both administrators and trustees spoke highly of the meetings which provide opportunities to unify and coordinate California's great school system.

San Mateo Woman Heads County Cancer Society

San Mateo County branch of American Cancer Society will be headed by Mrs. Ralph J. Tucker, San Mateo. The appointment has been approved by San Mateo Medical Society.

Mrs. Tucker, deputy commander of the county branch for the past two years, appointed Mrs. Dwight M. Cochran, Burlingame, deputy county commander.

THE WAR DEAD RETURN

The first American war dead to be returned home will be honored in solemn ceremonies upon their arrival in San Francisco on October 10.

It is particularly fitting that this city should be chosen to receive these heroic dead. It was here they had their last merry fling at American life; here was their last glimpse of the country for which they died; and this is the place to which they hoped to return.

We did our best to make their last memories of home happy ones; and we hoped to make their welcome back a glorious event. Now, we can only offer a simple tribute to their supreme devotion.

It is a privilege to pay homage to these war dead, but a task for which we feel ourselves humbly unworthy. However, in rendering this final expression of respect and gratitude to the men who died so that their nation might survive, we will not be alone. With us on the shores of the Golden Gate will be the heart and prayers of all America.

FIRE PREVENTION WEEK

According to the National Board of Fire Underwriters, more than $650,000,000, a forest area equal to the size of New York State, 350,000 homes, and 10,000 lives were lost during the past year on account of fire.

This senseless waste of human life and property is all the more incredible when one considers ninety per cent of it could have been prevented had just a little care been exercised. The ten per cent loss caused by arson possibly could have been eliminated by stricter punishment of the crime.

A fire-fighting force of more than 800,000 men is required to control fires which break out on the average of one every 38 seconds in this country. The past year shows an increase of twenty per cent in fire loss to reach an all-time record in extravagance of natural resources, homes, and lives due to carelessness.

If we were to consider these facts and figures when we toss aside a match or cigaret, abandon a campfire, break an electric wire in our homes, and store trash and paints in unsafe places, we might solve some of our more serious problems. We could ease the housing shortage, help produce the food and raw materials needed to rebuild Europe, substantially reduce our national debt, and re-populate a city within a few short years.

Think about it!

COLUMBUS DAY

In the final analysis, it isn't so important whether it was Christopher Columbus or somebody else who first reached the New World from the Old.

But what is important is the concept of the world which Columbus introduced and then proved.

He was a great explorer. But, more than that he was a great liberator. He opened the way to freedom from the misconceptions of the earth's form which for ages had bound men to the shores of the Old World.

Today the world still has need of men like him. It still needs those with vision and courage to lead the way out of the maze of fears and superstitions which still dominate men in this "enlightened" age.

HOW SMART?

British scientists are reported to have developed a two-ton mechanical "brain" which is claimed to be 25 times smarter than the best such machine America has. Well, if it's that smart maybe it can solve Britain's pressing economic problem.

DWINDLING ARMY

Last March 31, when the draft law was allowed to die new recruits were coming into the Army on their own accord at a rate adequate to maintain the peacetime force of 1,070,000 men.

But since then things have changed. Now the number of enlistees is running well below the 30,000 a month necessary to hold the Army at its proper level. Already it has dropped about 100,000 below that level and is going down at the rate of 10,000 a month.

Now, in these times we can't afford to let our military strength melt away. Some means must be found of bringing more recruits in and of inducing men already in the service to stay in. Just how this can be done is not easy to determine. The present pay scale, the benefits and the apportunities for special training are greater than at any time in our history. If these are not sufficiently attractive to our youth it's difficult to see what more can be done to bring them in voluntarily.

IT HAS BEEN SAID—

Where there's a will there's a way—to break it.

RECORD READER DEFENDS DOGS

"October 5, 1947

"Dear Editor,

"In regard to a certain article in Thursday's issue of the Daly City Record pertaining to too many dogs on the loose, I make my statement:

"All down through the ages, I have read in various newspapers, magazines and books, about the good and bad things about dogs. So far I have found the good things greatly outnumber those which are bad. I am sure that state will continue so long as mankind exists.

"A certain Mr. ———— seems only to notice the bad things which I admit are very disheartening at times, but as far as getting a shotgun out and cutting down the number of straying dogs, I am afraid he might not get very far and I am sure there are other means of curbing the so-called damage. As he probably doesn't know, there is a well established society which can handle anyone like him very nicely, and with little or no argument.

"I also notice he says something about private property, not realizing the number of dogs which have given their lives to making that property private.

"Mr. So and So, did you ever own a dog, lose him accidentally and then get him back again?? If not you wouldn't know what I am talking about. No! Destroying all stray dogs is not the proper way to settle the issue.

"Here is a suggestion that might alleviate the problem: In San Francisco at the present time, there are two women devoting their time and efforts to set up a temporary home for dogs. Anyone who wants a dog can get one there for nothing. All they ask is a small donation to help pay for the strayed dogs until they can find a home worthy of their devotion.

"That's right, let's get one started here. That would settle your problem and that of the lost but not forgotten dogs."

Signed

"A Reader"

O.L.P.H. MOTHERS MEET TONIGHT

Regular meeting of the Mothers' Club of Our Lady of Perpetual Help will be held tonight at 8 p. m. in the library of the new school. The meeting will be followed by a Hallowe'en party.

On October 17, the club is holding a whist party and other games at 8:30 p. m. in the new school auditorium at 80 Wellington avenue. Proceeds will apply to the school's building fund.

Officers in charge of the party are Mesdames Isabelle Liberti, Valetta Ennis, Tess Sullivan, Sue Schroeder, Alice McGraw, Catherine Bradley, Dorothy McInerney, Mildred Sims, Marie Storrs, Dolly Lewkowitz, Margaret Schreiber.

New Store Opens Saturday

Daly City's new drugstore at 6389 Mission street, owned by Leon Bagrash and managed by pharmacist Tom Davis, will hold its grand opening tomorrow (Saturday).

Dental Care Heads Needs For Students

Mrs. Sylvia Eastham, Daly City grammar school nurse since September, in completing her preliminary inspection of local school children, stated the greatest need of the children seemed to be for dental care.

Mrs. Eastham, a graduate of the University of Washington, and posessor of a public health certificate from that state, has had several years' experience in Washington State, Honolulu, T. H., and San Diego.

Chief Sunderland Issues Warning

Chief Wilbur Sunderland has issued a warning to all dog owners about the local rabies scare. All dogs which have no tags are destroyed at the end of 72 hours. Dogs with tags are returned to owners.

The chief warns householders who care for their pets to be sure to have them licensed — and keep the license on the animal.

County Recorder Submits Report

The month's work of the office of T. C. Rice, county recorder of San Mateo county for September, 1947, was as follows: number of papers handled, 5696; number of papers handled same month, 1946, 5,009; fees, $12,750; fees for same month, 1946, $8,571.75; marriages, 188; 1946, 126; service discharges, 41.

Jaysee Football Season To Open Saturday, Oct. 11

San Mateo Junior College opens its home football season Saturday afternoon when Stockton jaysee sends its team to the Peninsula for a conference tilt. The game starts at 2 o'clock at the San Mateo High School field.

Stockton has won a game from Marin jaysee and lost a heartbreaker, 7-6, to Salinas when the Stockton team limited Salinas to 28 yards. San Mateo lost its opening game at Santa Rosa Junior College, 20-0, when the Cubs proved far more advanced in training than were the local Bulldogs. It was Santa Rosa's first win over San Mateo.

President Charles Morris has just returned from attending a superintendents' conference at Sacramento. There he acted as chairman of one section.

Attends Class In Parliamentary Law

Mrs. M. E. Nensteil, president of General Pershing PTA, is attending a class in parliamentary law given by Seventeenth District of California Congress of Parent Teachers. Classes will be held once a week for eight weeks in San Mateo at the Peninsula School.

Den 16 Cubs Met At Hopman Home

Weekly meeting of Cubs, Den 16, Pack 36, B.S.A., will be held this afternoon in the home of Mrs. Ted Hopman.

Last week's meeting was also held in Mrs. Hopman's home. Boys present were Bill Christie, Dick Hiett, Dick Hopman, Jerry Wacks, David Ward, Bert White, Carl White, Don Williams and George Spoulos.

Mrs. R. W. Christie, former Den Mother was the honored guest at a surprise party planned by the mothers of the boys. The Cub Pack presented her with two large plants for the garden of her new home in San Lorenzo Village. Mesdames D. Hiett, Millie White, Irene Williams, Ted Hopman and Joan Hopman were also present at the party.

Cub and Parent Day was celebrated on Balboa High School athletic field on October 5. Dick Hopman, Carl White, Bill Christie and George Spoulos of Den 16 took part in the games and events of the day.

SUMMONS

No. 43855

Action brought in the Superior Court of the State of California in and for the County of San Mateo, and the Complaint filed in the office of the County Clerk of said County and State

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

O. C. BURKHART and GERTRUDE N. BURKHART, his wife Plaintiffs, vs. ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, FIRST DOE, SECOND DOE and THIRD DOE, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, First Doe, Second Doe and Third Doe, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiffs' ownership, or any cloud upon Plaintiffs' title thereto, DEFENDANTS.

YOU ARE HEREBY DIRECTED to appear and answer the Complaint in a action entitled as above brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after service on you of this Summons — if served within this County; or within thirty days if served elsewhere.

That said action is brought to obtain a judgment and decree quieting Plaintiffs' title to the following described real property, situated in the County of San Mateo, State of California, and to determine all adverse claims thereon, and particularly described as follows, to wit:

Lots 22, 23 and 24 in Block 32 and Lots 28, 29 and 30 in Block 31, as designated on the map entitled "AMENDED AND SUPPLEMENTAL MAP OF MONTARA SAN MATEO COUNTY CAL.", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 16, 1907 in Book 5 of Maps at page 25.

also for general relief, as will fully appear in the Complaint on file, to which special reference is hereby made.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiffs will apply to the Court for the relief demanded in the Complaint.

Given under my hand and the seal of the Superior Court at the County of San Mateo, State of California, this 14th day of August, A. D., 1947.

LOCAL CHEST DRIVE WORKERS NOW ON THE JOB

Anthony Gaggero, head of Community Chest drive in this area, announced most of his workers who will assist in this community's share in the $201,000 county drive have been appointed.

Work is getting under way and Daly Cityites are expected to contribute to the best of their ability to the funds which supply the necessities for the community charitable works.

War Veterans To Pay Honors To John W. Shannon

Posts, chapters and auxiliaries of every war veterans' organization in San Francisco will join in honoring State Commander John W. Shannon of the Disabled American Veterans, Wednesday evening, October 29, in a brilliant civic reception and program in the Veterans' auditorium of the San Francisco War Memorial, Van Ness avenue and McAllister street, Chairman Harry E. Wentworth has announced.

Wounded in action while serving with the U. S. Marines at Guadalcanal in the South Pacific, Shannon, past San Francisco chapter commander of the D.A.V., was elected state commander at the 1947 D.A.V. state convention in San Luis Obispo in July, defeating his World War I opponent by a vote of eight to one margin.

Taking part in tributes to Shannon will be officers and members of the American Legion, Veterans of Foreign Wars, Regular Veterans Association, United Veterans of the Republic, Military Order of World Wars I and II, Spanish-American War Veterans, American Veterans of World War II, Service Star League, Gold Star Mothers, and auxiliaries. An informal reception and refreshments hour will follow the October 29 stage program.

The battleship USS Washington, flagship of Admiral Lee in the great sea victory in the Solomons that helped save Guadalcanal five years ago, has joined the "Mothball Fleet."

October 17 Is Date Set For Dance

The Mamma Margaret Guild of Corpus Christi church is sponsoring a dance Friday, October 17, at 8 p. m. in Guadalupe hall, 4551 Mission street. Proceeds of the dance will be used to cover the expense of booths at the Corups Christi Fiesta held last week. Admission is 50c. Everyone is invited.

Wear Something White

Pedestrians should wear or carry something white at night to help drivers to see them, advises the public safety department of the National Automobile Club. Pedestrians dressed in dark clothes are very difficult to see at night, especially in foggy or rainy weather.

Irish-Americans Plan Dance For Saturday, Nov. 1st

The latest in American terpsichore will vie for favor with the lilting "sets" of the Emerald Isle, at the annual grand benefit ball of Division No. 17, Ancient Order of Hibernians, Saturday evening, November 1, in California hall, Polk and Turk streets, according to Division President Thomas F. Gilligan, honorary chairman of the reception committee for the gala function. During the half-time intermission, an Irish - American stage show will be presented, including exhibitions of Gaelic stepdancing by talented juvenile artists.

In the absence of grand ball Chairman Michael R. McDonagh, now in Ireland on a short vacation and business 'plane tour, national Director Jeremiah J. Mulvihill, a past president of Division No. 17 and the United Irish Societies, is serving as acting chairman of arrangements for the November 1 fete. Mr. McDonagh will return to San Francisco next week, and will resume active direction of the grand ball committee. Among the dignitaries who have advised the Division No. 17 committee of their attendance at the ball are Superior Judge John T. Foley of San Jose, state president of the A.O.H., President Mrs. Mollie Owens Callanan of the United Irish Societies, national organizer George R. Reilly of the A.O.H., and retiring Police Chief Charles Dullea and incoming Police Chief Michael Riordan. Tickets are now available from committee members.

Baseball Games Scheduled Sunday Marchbank Park

Marchbank Park will be the scene of three hotly contested baseball games on Sunday. Playing teams are members of San Francisco Recreation Department Winter Baseball League.

First on the schedule is Colma Boys Club vs. Vallero's All-Stars at 10 a. m., an independent game.

At noon Harrison Athletic Club will play Fosters. Both teams are members of the American League.

Highlight of the day comes at 2 p. m. when the Daly City team plays I.A.M. No. 68, another American League game.

ATTEND CONCLAVE IN SAN DIEGO

Headed by Exalted Ruler and Mrs. George Baader, a large delegation of officers and representatives from San Francisco lodge No. 3, Benevolent and Protective Order of Elks, is attending the 1947 annual state convention of the society this week in San Diego. The San Francisco bay district delegation left here by special train Tuesday morning, arriving in the host city that evening. Business meetings of the conclave are being held Wednesday, Thursday and Friday, with thousands of Elks from all parts of the state in attendance. Among the noted Elks present is Lafayette A. Smith, Los Angeles attorney, and grand national exalted ruler of the order. The San Francisco delegates will start homeward Saturday morning, October 11, arriving back in San Francisco that evening.

A motion picture show will feature the regular Friday evening, October 11, meeting of San Francisco lodge of Elks, at the B.P.O.E. clubhouse, 456 Post street. A stag dinner party will precede the business session, and a buffet supper will conclude the evening's program.

Radioactive Acid Synthesized at U. C.

Radioactive carbon has been built into a common fatty acid, which scientists can use to discover hidden facts about diabetes and the general fat metabolism of the body.

The custom-built molecules were synthesized, using radioactive carbon produced in the atomic ovens of the Atomic Energy Commission, by Dr. William G. Dauben, assistant professor of chemistry at the University of California. These acids differ from the ordinary acids only with respect to the location of the radioactive atom.

The molecules synthesized are three palmitic acids, which are commonly found in butter and other fat substances used by the body.

These molecules can be traced in the body by means of the tell-tale radiations emitted by the radioactive carbon, revealing information about fat metabolism unobtainable by other means.

Dr. Dauben synthesized the acids to be used in collaboration with Dr. I. L. Chaikoff, professor of physiology, in studying the disruption of the metabolism of fats which occurs in diabetes, as well as normal fat metabolism.

Run Of Stripers

A large run of striped bass has shown up this week in the San Joaquin River in the San Joaquin and Stanislaus counties areas, according to the National Automobile Club. Anglers have landed many limits of big fish just below the mouth of the Tuolumne River.

Fishing On Trinity River

Anglers are taking steelhead and salmon along the Trinity River from its mouth to the area of Trinity Center, Trinity county, reports National Automobile Club. Many small trout of the steelhead rainbow type are at present in the river.

Latest figures show that there are 1,924 Indians in the United States Navy.

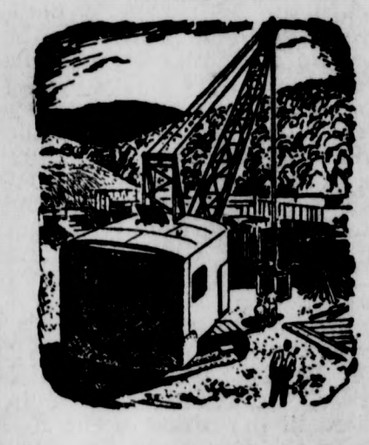
MEN at WORK all along the line!



Thousands of men are at work on scores of projects throughout Northern and Central California in this company's $350,000,000 expansion program to meet the future needs of this area for electricity and gas.

Some of the major projects in this construction program are:

KERN STEAM PLANT—A new $25,620,000 steam-operated powerhouse near Bakersfield to generate 235,000 horsepower of electricity.

MIDWAY SUBSTATION — A $10,300,000 project, including a 212-mile transmission line and a switching station to bring 220,000-volt power from Sierra hydroelectric plants to the Southern San Joaquin Valley.

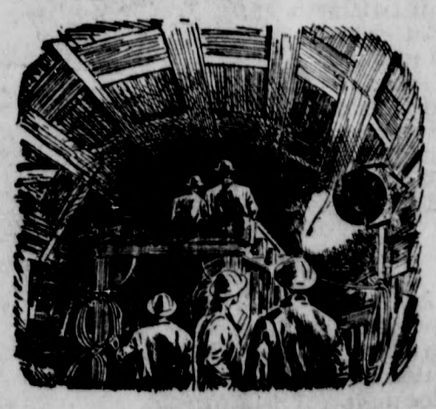
MORAGA SUBSTATION—A $7,200,000 substation and transmission line project to bring 250,000 additional horsepower of electricity to the power pool serving Contra Costa and Alameda Counties.

MISSION STATION—A new $6,400,000 substation and two transmission circuits to augment the power supply of the San Francisco metropolitan area.

STATION "P" STEAM PLANT, SAN FRANCISCO—A $23,700,000 project that will increase the electric generating capacity of the present plant at Hunters Point from 62,000 horsepower to 360,000 horsepower.

ELECTRA AND WEST POINT POWERHOUSES — Two new powerhouses costing $19,600,000 with a combined generating capacity of 154,000 horsepower on the Mokelumne River.

ROCK CREEK AND CRESTA POWERHOUSES — Two new hydro plants on the North Fork of the Feather costing $61,800,000 and having a combined generating capacity of 270,000 horsepower.



This is the biggest construction job the P. G. and E. has ever undertaken and work is being accelerated as fast as materials and manufactured electric equipment are delivered. So far we are right on schedule to have the vast job done in 1951.

350 MILLION DOLLAR EXPANSION PROGRAM—1,000,000 ADDITIONAL ELECTRIC HORSEPOWER

Beatrice Bordson, Thomas J. Thimis Jr. Unite In Marriage

A double ring ceremony on Saturday, October 4, united in marriage Miss Beatrice Bordson and Thomas J. Thimis jr., both of Daly City. They exchanged vows before the altar of the Ebenezer-Lutheran church at 6 o'clock in the evening. Officiating at the ceremony was Pastor Westeburg.

The altar was banked with white stock and dahlias. The pews were similarly trimmed with stock and white ribbon.

Beatrice repeated her vows gowned in a lovely champagne satin gown fashioned with a pearl studded lace yolk, long sleeves, buttons down back, and long train. A pearl crown held her long veil in place. Four orchids, bouvardia and lillies of the valley made up her bouquet.

As maid of honor, Barbara Bordson, sister of the bride, donned an aqua tulle princess styled dress fashioned with sweetheart neck, puffed sleeves and full skirt. Her bouquet was made up of yellow carnations. She wore a bandeaux of the same flowers in her hair.

In similar yellow dresses were the bridesmaids, Mrs. Rose Perada and Mary Thimis, sister of the bridegroom. They carried bouquets of blue carnations.

Directly preceding the bride were the flower girl, Nancy Grossi, and ring bearer, Paul Giomi, the bridegroom's cousin. Nancy wore a yellow dress and carried blue flowers.

Standing with bridegroom as best man was George Perada jr. Ushers were Tulio Picchi and Lawrence Anderson. All wore tuxedoes.

Mrs. Thomas Thimis sr. wore a plain watermelon-colored sequined gown. Her corsage was a yellow orchid. Mrs. Bordson wore an aqua-colored long-sleeved gown trimmed with rhinestones. She wore a baby orchid corsage.

At eight o'clock that evening guests gathered at the IASC hall on Russia avenue to partake of buffet refreshments and dance to music of a seven-piece orchestra. The couple also cut their five-tier wedding cake. Rita Gurtsingburg caught the bride's bouquet.

Following a week's honeymoon at Catalina the couple will make their home in Belmont.

Beatrice is the daughter of Mr. and Mrs. Pete Bordson, 614 Templeton avenue. Thomas is the son of Mr. and Mrs. Thomas Thimis sr., 7 Parkview avenue.

Portola Bass Club To Hold Dance

Portola Bass Club is holding a semi-annual dance for members on Saturday night in Portola Hall. Mike Blackman and his orchestra will furnish the music and refreshments that are to be served. Leon Gregory, club president, is in charge of the arrangements.

Albacore Taken

Good catches of albacore were made this week off the coast of Monterey county, reports National Automobile Club. Fishing was especially good just off Point Sur and Cape San Martin.

Giusti - Gray Nuptials Held At Holy Angels Church

At impressive nuptial rites Sunday at the Holy Angels church Father Morissey joined in marriage Miss Yolanda (Lani) Giusti and Lauritis Gray. The double ring ceremony was performed at 3 o'clock in the afternoon before an altar decked with white gladiolas, dahlias, and carnations.

Given in marriage by her brother Raymond, Yolanda was gowned in a lovely eggshell satin gown fashioned with a beaded bodice, sweetheart neck, long sleeves, train and tiny satin buttons down the back. Her long veil was held in place with a pearl crown. She carried a cascade bouquet composed of bouvardia and centered with an orchid.

Almost as pretty as the bride was six-year-old Barbara Giusti, flower girl, who wore a white taffeta dress with a white net overskirt. Her bouquet was made up of baby roses and bouvardia. She wore a halo of the same in her hair.

Fern Gray, performed maid of honor duties dressed in a chartreuse taffeta gown fashioned with a square neck and bustle effect. She carried a cascade bouquet of chartreuse carnations with a matching halo. Similarly dressed was the bridesmaid Bernice Ciarlo.

Dressed in tuxedoes were the best man, Conrad Cain, and usher, John Benetti. Seating the guests were Herbert Rideout and Jack Stockton.

The Shalimar Restaurant in San Francisco was the locale for the reception at which 61 guests were present to enjoy dinner-dancing and watch the couple cut their five-tier wedding cake.

Following a honeymoon in Nevede the couple will make their home in Daly City.

Bear Plentiful

Bear are plentiful throughout Inyo county this year, reports the National Automobile Club.

During World War II 4,781,755 personnel served in the Navy, Marine Corps and Coast Guard compared to 682,980 in World War I.

Navy coffee roasting plants at Brooklyn, New York, and Oakland, California, each have facilities to vacuum-pack 28,000 pounds of coffee per eight-hour day.

The United States Naval Academy was established October 10, 1845.

The record time for building a battleship was 34½ months—the time it took to build the USS Iowa.

John Paul Jones' body was brought to this country from France in 1905 aboard the USS Brooklyn.

The United States Navy has slightly more than 4,000,000 fingerprints on file, dating back to 1907.

The USS North Carolina, first of the new battleships to get into action in this war and veteran of many victories in the Pacific, has been put in the reserve fleet to be kept against future emergencies.

For Lunch

When youngsters come in from an afternoon or evening of outdoor fun, they'll be looking for food. And nothing will taste better than sandwiches and a hot drink. Here's something you might try serving—ribbon sandwiches. Put three or more slices of bread together with a soft filling between the slices. Use white and dark bread alternately. Then wrap the large sandwiches tightly in a damp cloth, press them under a light weight, and cut them in ¼-inch slices just before serving.

Hanging Furs

Use a sturdy hanger for furs to mold the shoulders. The most queenly furs can be reduced to dowdy appearance by tossing them carelessly over chair backs. And don't crowd furs into a warm, crowded closet, since they'll dry out, crust and mat.

"Fathers' Night" Speaker Will Be John P. Mongan

Jefferson Union High School P.T.A. announces John P. Mongan, dean of boys at the high school will be guest speaker at the Fathers' Night program which will be held in the high school auditorium October 21 at 7:30 p. m.

At a meeting held by the P.T.A. executive board on October 2, in the home of Mrs. Catherine Foreman, plans were also formulated for the bazaar which will be held from 10 a. m. to 4 p. m. on November 21 in Masonic Temple hall.

Next executive board meeting will be held in the home of Mrs. Stanford Hannah on November 6.

Mono County Trout

Trout fishing has been good recently in several Mono county lakes, reports the National Automobile Club. Many excellent catches have been made in the Virginia Lakes group, at Upper Twin Lakes, and at Topaz Lake.

Black Bass Taken

Black bass are still being taken in Russian River in Sonoma county area, states the National Automobile Club. Best catches are being made around Healdsburg and Cloverdale.

Nevada County Deer

Deer kill this season in Nevada county is fairly good, according to the National Automobile Club. Heaviest kill is being made in the Bowman Reservoir section.

Mothers' Club At S. M. Jaysee Met Thursday, October 9

The San Mateo Junior College Mothers' Club opened its fall activities with its first meeting Thursday afternoon, October 9. Mrs. George Bruns of Burlingame, past president of 17th District C.C.P.T., is the new president. She has an enthusiastic corps of officers and chairmen and hopes to interest a wide circle of mothers of Junior College students, faculty members, and also wives of G. I. students.

This first meeting was held at the Coyote Point school at the former home of the commander of the cadet school. Students were stationed at the entrance gate to direct visitors to the parking area and on to the meeting place.

Dean Charles S. Morris of the College was the speaker and he introduced faculty members and the student body president. After refreshments were served, a tour of the grounds was made with students directing the course.

Like Pork Best

Pork is the most popular meat in the American diet.

Assault Charge To Superior Court

Joseph Kelly, 101 De Long avenue, San Francisco, charged with assault with a deadly weapon and instruments, was bound over to the Superior Court by Municipal Judge William J. Sweeney at a preliminary hearing held October 3.

Kelly, who is charged with entering the home of Clifford Pettigrew, Daly City garage man, with these weapons, will be tried in Redwood City.

Maintain the Record

Thanks to the School Safety Patrols, traffic accidents involving school children have shown a marked decrease during the past two decades, the California State Automobile Association reports. Now that schools are open, the Automobile Association urges motorists to slow down in school zones and help the Safety Patrols protect schoolmates from harm.

PTA Anniversary

In 1947 the 25,000 local units of the National Congress of Parent) and Teachers will celebrate the 50th anniversary of the organization's founding in 1897

Farms Use Lumber

An average farm will use about 2,000 board feet of lumber each year.

Need More Milk

Families with annual incomes of over $5,000 consume only three-fourths as much milk as they need.

Wallace Bellando And Helen Bennett Marry In Nevada

Mr. and Mrs. P. Bellando of 45 Shakespeare street, announced this week the marriage of their son, Corporal Wallace Bellando, to Miss Helen Bennett of San Anselmo. The couple were married Wednesday, October 1, at a Reno ceremony.

Corporal Bellando is on his way to Lowry Field, Colorado, to attend Aircraft Crash Rescuemen school after which he will return to Hamilton Field for duty.

Court St. Mary Plan Bazaar On November 20th

At the last meeting held by Court St. Mary No. 1155, Catholic Daughters of America, Grand Regent Jeanette Lacchini, presiding, plans were talked over for a bazaar being planned for the evening of November 20. Many booths are planned, groceries, aprons, fancy work, knick-knacks, and others. Helen Rode, chairman of sewing and chairman of the apron booth, announced that members will model the aprons at the next meeting, October 16. At this meeting refreshments will be served under the chairmanship of Nellie Moran and Delia Kelly.

Mrs. Alice McCarth, a member of the court, had the prayers and well wishes of the court for a speedy recovery.

The next sewing is to be at the home of Katherine McDermott, on the evening of October 8.

The Court received an invitation to the Consecration of Most Rev. Hugh Donohue, and many members plan to attend.

All those having labels for "Lady Go Lucky" please bring them in to Gladys Walden.

Also don't forget your white elephants, or knick-knacks.

Carol Richards, David Bunkley Are United In Marriage

Carol Richards, daughter of Mr. and Mrs. Hilma Richards, 1062 Broderick street, and David Bunkley, son of Mr. and Mrs. David Bunkley sr., 53 Muirwood drive, Daly City, were married Saturday evening, October 4, at the Howard Presbyterian church. Pastor Cox officiated at the single ring ceremony performed at 7:30 o'clock in the evening.

Maid of honor was Marjorie Bunkley. Best man was Robert Matthews. A reception followed at 1062 Broderick street.

Funeral Services For William Deane Held Wednesday

Funeral services and Requiem High Mass were held Wednesday morning for William Deane, 78, of 329 Winchester street, who died October 6 in Southern Pacific hospital after a short illness. Burial was in Holy Cross cemetery.

Mr. Deane, a native of County Cork, Ireland, and retired assistant land appraiser for Southern Pacific Company, is survived by two sons, Frank and William; three daughters, Mrs. Eleanor Reichmuth, Mrs. Rose Lucas, Mrs. Dorothy Strebel; five grandchildren and two great grandchildren.

Local Teachers Attend CTA Meet

Teachers Maximae M. Harper and Marjorie Reandeau attended the quarterly meeting of California Teachers Association in San Francisco on October 4. A vote of appreciation was extended to Governor Warren for his support of federal aid for education. Arthur F. Corey, new C.T.A. State executive secretary, was introduced to the group.

Newlyweds Are Now Home From Honeymoon Trip

Returned this week from their extended wedding trip to Reno, Lake Tahoe, Yosemite, Carmel and Los Angeles, are Mr. and Mrs. Bill Reynolds, "Mrs." being the former Gloria Pinochi, of Daly City, who were married on Sunday, September 28, at the Holy Angels church, Colma. Father Morrissey performed the double ring ceremony at 3 o'clock in the afternoon.

A gown of white satin fashioned with a high neck, net yolk, long sleeves, buttons down the back and a bustle, describes Gloria's gown. Her three-tier short veil fell from an open-crown halo of white satin. She carried a prayerbook and rosary beads covered with orchids.

The four attendants preceding the bride were gowned in yellow taffeta dresses made with bustles. Maid of honor was Emelia Bertini. Bridesmaids were Loretta Maffei, sister of the bride; Mary Castagnola and Barbara Gotelli. The maid of honor carried an old-fashioned bouquet of bronze and yellow chrysanthemums, and the bridesmaids carried yellow chrysanthemum bouquets.

Bestman duties were performed by Robert Ludlow. Seating the guests were Peter Maffei, Bill Donovan, and Robert Wallace.

A reception was held at 8 o'clock in the evening at the IASC hall, Russia avenue, with Johnny Dell's orchestra furnishing music. Buffet refreshments were served including pieces of the couple's five-tier wedding cake.

Gloria is the daughter of Mr. and Mrs. Lawrence Pinochi, 169 Mateo avenue. Bill is the son of Mr. and Mrs. W. Reynolds, 1869 San Jose avenue.

J. B. Hughes Family Will Move To Burlingame Soon

Mr. and Mrs. James B. Hughes and their family, for 15 years residents on Moltke street, will soon be moving to their new Burlingame home on Drake avenue of that city.

Joan, who graduated from Perpetual Help school is now commuting to Burlingame High. Jimmy, however, will continue to attend Perpetual Help so he can be a member of the first graduating class of the new building.

Seventeenth Dist. C.C.P.T. Meet In Half Moon Bay

The Seventeenth District California Congress Parent Teachers Association will convene October 16 in Half Moon Bay Union High school for a full day session, with Mrs. M. G. Strohmeier of San Mateo presiding. Registration starts at 9:30 a. m.

Homemaking and family hobby displays in all the various phases will be presented by that department with Mrs. Oscar Larson, Menlo Park, director of home service, in charge of the program.

Mrs. B. D. Ralston, Woodside, state director of home service and sixth state vice president will be guest speaker. Her topic will be "Building Firm Foundations in the Home."

Colma PTA Hold Teachers Tea

Colma P.T.A. held a teachers tea and get-acquainted meeting on October 7. Members, headed by President Frances Landi, discussed the pre-holiday bazaar for which plans are being formulated.

Refreshments were supervised by Mrs. I. Chessman, hospitality chairman. Mrs. Ray Lagomarsino donated the cake.

Cool Milk

Milk must be cooled in order to prevent the growth of bacteria which cause flavor and odor defects.

FIRE FIGHTERS FACTS

By Mel Hanson
Publicity Chairman

National Fire Prevention Week In Full Swing

National Fire Prevention Week went into full swing last Sunday, October 5.

Monday morning, October 6, Chief Kennedy, Assistant Chief Bodien, Battalion Chief Benassini and Captain Joyce started out on an inspection of all schools in Daly City and all public buildings.So far the report has been quite favorable.

All of the schools in Daly City have or will have a fire drill to see how the children would react to an actual fire. Motion pictures are being shown to the children on fire prevention after the drill. Chief Kennedy is addressing each group and one of the subjects he is stressing to the youngsters is the dangers of False Alarms.

If you have had a chance to read any magazines during the week you will note that many are stressing Fire Prevention Week. Many good articles were written; one of the best, I believe, is in the October 14 issue of Look Magazine on pages 48 and 49.

Fires in U. S. this year will damage or destroy 360,000 houses, kill 6,500 people and injure another 15,000. The year's total fire loss for the nation probably will reach $700,000,000 — twice as much in a single year as was lost in the fire that followed the 1906 San Francisco earthquake, according to insurance companies' estimates. These companies blame approximately 171,000 home fires annually on careless workmanship in roofs, chimneys, wiring and heating plants. To arouse the nation's citizens to fight this huge annual fire loss, National Fire Prevention Week is declared annually by Presidential proclamation. You can live in a fire trap, but the question is, "HOW LONG?"

Here is the fifth installment of the check list provided by the Daly City Fire Department, to insure you of a safe home, a home safe from fire menace.

25. Don't string electric cords or wires around the room, under rugs or over nails.

26. Watch lamp and appliance cords for dangerous wear — and don't roll beds or furniture over them.

27. Don't place ash trays or heaters where curtains or drapes may blow over them.

28. Be sure electric circuits are adequate for all appliances and an electric heater, if you use one.

29. Gas heaters should be permanently and rigidly attached to outlet, with metal piping if possible, and a shut-off valve on metal, not on rubber or flexible tubing.

30. Don't light matches in your closets.

* * *

Turn in an Alarm

To avoid disaster all citizens of Daly City should call the fire department when discovering a blaze.

* * *

Quarterly Drill Over

The chief's quarterly drill is over and much knowledge was gained by the firemen and officers alike. Each of these drills is very beneficial to all concerned, as many new fire fighting techniques were demonstrated.

After the drill all members were invited by Company 6 to a corned beef dinner. "It was very good, you could cut the beef with your fork, so tender and juicy."

When the dinner was over each company had try-outs for a horse shoe contest, to be played at the Veteran Firemen's Picnic, October 19.

It was and still is the opinion of this writer and many others present, that the firemen make better firemen than horse shoe players. We were told that the idea of the game was to get the shoe around the peg in the box, but most of our men couldn't get the shoe in the box, much less get it round the peg. A good time was had by all. Most members of the teams are in earnest about the game and expect to win the trophy for the events. We will keep you posted on the outcome of the game.

Level States

The three most level states in the Union are Louisiana, Delaware and Illinois.

Chester Johnson Passes Away

Chester Johnson, who spent the last four months of his life in Community hospital, San Mateo, died October 6. Mr. Johnson, who was 72, was buried in Cypress Lawn. He was a native of Barre, Massachusetts, and is survived by two nephews, Harry B. and Reginald C. Seagrave, Oxbridge, Massachusetts.

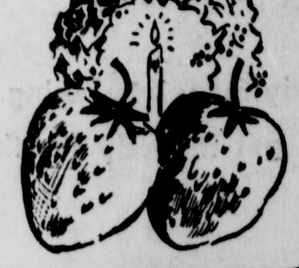
THE FACT IS BY GENERAL ELECTRIC

G-E COLOR DETECTIVE WORKS FOR FARMER

THE RECORDING SPECTROPHOTOMETER WAS DEVELOPED BY GENERAL ELECTRIC TO HELP PEOPLE WITH COLOR-MATCHING PROBLEMS. IT HAS BEEN USED TO ANALYZE COLORS OF DUCK SKIN FOR A POULTRYMAN WHO WANTED TO BREED DUCKS WITH THE COLOR THAT SOLD BEST.

STRAWBERRIES FOR CHRISTMAS

THE SUMMER HARVEST IS KEPT FRESH THE YEAR ROUND IN A G-E HOME FREEZER. THE 8-CUBIC-FOOT MODEL HOLDS 280 POUNDS OF FOOD.



TESTED 13 MILLION TIMES!

THAT'S HOW MANY TIMES GENERAL ELECTRIC TRIED OUT A NEW-TYPE LIGHT SWITCH—TO MAKE SURE IT WOULD NOT FAIL IN USE. THIS IS A TYPICAL EXAMPLE OF THE CARE THAT GOES INTO EVERY G-E PRODUCT.

GENERAL ELECTRIC

Diary of Barbara, our newest operator

"**First day at work** . . . and I wasn't a bit nervous! I thought I would be, but the girl who is teaching me was perfectly wonderful. I practiced on a special board with one other girl and we had a lot of fun laughing about our mistakes. The work is interesting . . . and I'm paid regular wages while in training.

"**I met lots of friendly girls** in our comfortably-furnished lounge . . . that's where we get acquainted and enjoy refreshments during leisure periods. All the girls I've met seem to feel that being a telephone operator isn't just another job . . . they say it's a real opportunity for a girl to do helpful, important work that benefits everyone in town.

"**I'll get three raises** the first year, then a week's paid vacation . . . two weeks after two years. I know I'm going to love my job." . . . *We want you to enjoy your job, Barbara. You'll have the security of sickness benefits and a fine pension plan, too. And it's important work—the life of the community and of the country flows through your magic switchboard*

New Working Dollars . . . Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from telephone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

THURSDAY, OCTOBER 9, 1947

Women Of Moose Plan To Observe Mooseheart Night

Mooseheart Night will be observed by Women of the Moose, San Francisco Chapter 739, on October 9 at 26 Seventh street at 8:15 pm.. Hostess Vivian Lasko will be assisted by Grand Regent Irene Librarry and Escort Rose Perkins.

Program will include guest speaker Art Jinkerson, reared in the organization's home in Fox Valley, Illinois; and a play entitled, "She Loves Me at Last."

Cast for the play includes Rose Perkins, Peggy Hart, Jean Moncrief, Clothilde Guerrazzi, Elsie Klinger and Irene Librarry.

Job's Daughters Plan Program For "Father's Night"

Bethel No. 26, International Order of Job's Daughters, will hold its "Father's Night" on Friday, October 10, at 8 p. m. in Mission Masonic Temple, 2668 Mission street.

A program is being planned by the "Ducky Daughters," with Joan Garibaldi in charge. Betty Barner, honored queen, will preside at the meeting.

There were 1,300 combatant ships in the Navy at the height of World War II.

State Park Ruling Bans Dogs at Night

Leave dogs at home if you're planning an overnight stop at any of California's State Parks. Many visitors to the parks are not familiar with the State Park regulation which prohibits dogs in camps, cabins or parked automobiles between the hours of 8 p. m. and 7 a. m. The ruling, however, does not apply to seeing-eye dogs. Overnight boarding facilities for dogs are usually not available in the vicinity of the State Parks.

Watch Clutch Slipping

"Starting in second gear is a practice of many drivers," states L. G. Evans, general manager for National Automobile Club. "It is not necessarily a bad practice but if it necessitates slipping the clutch it should be abandoned at once. The modern clutch bears a heavy enough burden as it is."

Mystery House

Winchester Mystery House, touring attraction located three miles west of San Jose, is reported by National Automobile Club to have been under construction for 36 continuous years and to have cost more than $5,000,000. This rambling structure contains 160 rooms, an estimated 2,000 doors, at least 10,000 windows, and some 15,000 panes of glass.

NEWS FROM THE SCHOOLS

JEFFERSON

"Travel by Air" is the name of the Social Studies unit being developed in the seventh grade. The purpose of this unit is to help develop an awareness of the cultural, social, economic and political impacts of air transportation.

Dorothy Moody, the only seventh grader who has traveled in a plane, gave an account of her first air trip from Los Angeles to San Francisco. She gave a detailed description of her flight and brought out the point that what was at one time considered a great distance, is now only a few hours or days travel.

Low fifth grade pupils had an audience reading play called "The Rescue." Jack Rolls, Eileen DeBernardini, Judy Graziani, Floyd Moody and Marlene Clark took parts in the performance.

WOODROW WILSON

Room 15 — Students in the seventh grade in room 15 are starting their "Travel by Air" unit. Their enthusiasm in the subject increased by the nearness of San Francisco airport.

Room 14 — High sixth and low seventh grades are beginning their Seocial Studies unit, "The Americas." They are studying those countries forming the Americas and the Pan-American Union.

Room 11 — Textiles is the unit the fifth grade boys and girls are studying. They are learning how cotton is grown, ginned, shipped and manufactured into cloth. They are doing textile designs in art classes and have learned how to weave.

Room 12—Social Studies groups are working on transportation and plan to draw boats used by the Greeks and Romans. In arithmetic, the high fifth is studying fractions and low sixth is studying division.

Room 8 — Members of this class enjoyed a special lesson on the art of making pottery. Clay was brought into the classroom and many jars and bowls were made. The project was undertaken in connection with their unit on California Indians.

Room 1 — The low third grade in this room is studying early man.

Room 4 — Boys and girls of the high fourth are studying the homes, food, clothing and tools of the California Indians.

CROCKER

Room 2—Students were sorry to learn that Evelyn Rinaldo transferred to a school in San Francisco.

Room 3 — Carol Tacchi, Gary Anderson, Robert Stone, Lee Phillips, Nicky Hitchener and Henrietta Myers spent the week end out of town. Dona Enge has returned after a week's illness and Phyllis Rather after a siege with an injured ankle.

Room 5 — Janet Foster wrote and read to the class an interesting paper on polo, with the result that everyone is anxious to attend the game next Sunday.

U. C. Begins New Cancer Program

With better than a million dollar "war chest" of endowments and of ready cash provided by the State Legislature, the U. S. Public Health Service and private contributors, the University of California this week begins the most extensive and closely integrated scientific attack on cancer in the history of the state.

President Robert G. Sproul yesterday announced the appointment of a University-wide and two sectional Committees on Cancer Research "to coordinate and stimulate research into the origin, prevention and cure of cancer" by the various biological, chemical, physical and medical divisions of the University.

Funds at the disposal of the Committee included an appropriation of $250,000 by the last state legislature for cancer research.

As chairman of the University-wide and Northern Sectional committees, President Sproul named Dr. David M. Greenberg, professor of biochemistry on the Berkeley campus and in the Medical School on the San Francisco campus. Chairman of the Southern Section committee is Professor Vern O. Knudsen, eminent physicist.

Professor Greenberg said that the new program will embrace a broad program of cancer research, ranging from the study of the mechanism of growth of single cells by plant pathologists of the College of Agriculture to the experimental treatment of advanced cancer patients with the newest drugs in the new Laboratory of Experimental Oncology in San Francisco.

WHERE TO GO --- WHAT TO SEE --- WHAT TO DO

While fall fiestas, colorful and gay, continue the bright tradition of California life, the Travel and Recreation Committee of the California State Chamber of Commerce recommends an autumn week-end trip. You'll see glorious autumn coloring in the mountains and foothills, for truth to tell, California is not just a "one season" state. In the higher elevations a riot of color dresses the trees and shrubs at this time of year. You'll enjoy the displays of nature—but remember the hazard of the forest fire and be careful to PREVENT FOREST FIRES.

Metropolitan Horsemen's Association 5th Annual Horse Show, **Oakland** Stadium, October 11-12

Columbus Day Celebration, **San Francisco,** October 12

Folk Dance Festival, Garfield School, **Berkeley,** October 12, 1-5:30 p. m.

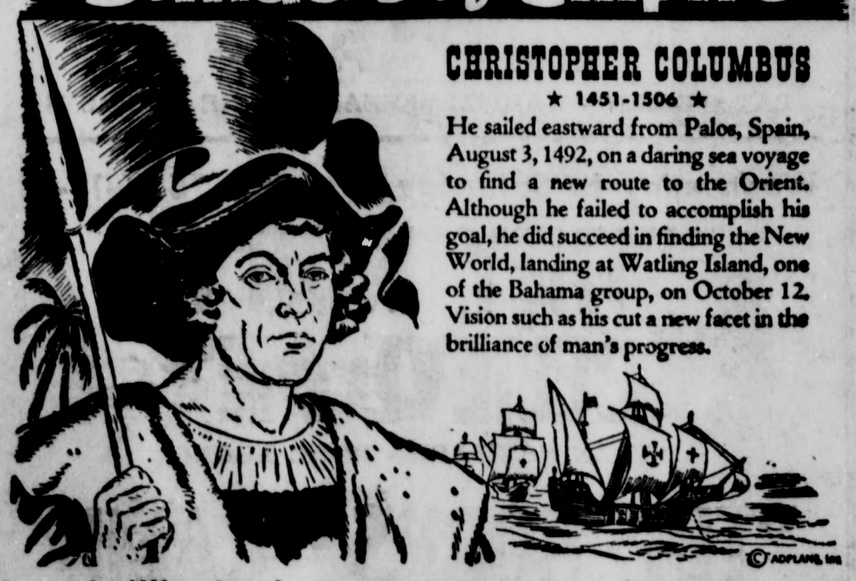
Builders of Empire



CHRISTOPHER COLUMBUS
★ 1451-1506 ★
He sailed eastward from Palos, Spain, August 3, 1492, on a daring sea voyage to find a new route to the Orient. Although he failed to accomplish his goal, he did succeed in finding the New World, landing at Watling Island, one of the Bahama group, on October 12. Vision such as his cut a new facet in the brilliance of man's progress.

New, brilliant advancements in building. Many are the innovations that go into building the modern home. You'll find it wise to consult us for the last word in materials, fixtures or construction technique with which to build the house of your dreams.

Bodies Of World War II Dead Are On Way Home

Brig. Gen. Neal H. McKay, commanding San Francisco Port of Embarkation, today pledged all facilities of his command to speed to their families in Northern California and Nevada the remains of World War II dead arriving at the Port October 10 on the USAT Honda Knot from Hawaii.

"We expect to have all remains consigned to Distribution Center No. 13 (Northern California - Nevada) area en route to their homes within 10 days after the next of kin confirms delivery instructions previously given," General McKay said. "The families can help by promptly answering the telegram they will receive from the Distribution Center at the time of the arrival of the bodies at the Port.

"As soon as we are prepared to send the body we will send a second telegram, advising the next of kin of the time the body will arrive at the designated place.

"We advise the next of kin to stay in close contact with their homes so there is no delay in delivery of these telegrams."

He explained that there was necessarily an operational time lapse between arrival of the Honda Knot and final delivery of remains because it would take at least three days to discharge the ship completely and several additional days would be needed in some cases for other operational work.

General McKay said the 10-day limit pertained to those remains going directly to the next of kin from Distribution Center No. 13. In cases in which the family has specified burial in the Golden Gate National Cemetery at San Bruno, California, the Superintendent of the Cemetery will set the time of the funeral and will send the second telegram advising the family of the date and time of day. Some delay can be anticipated in national cemetery burials because of the limited cemetery facilities in comparison with the number of bodies consigned to the Golden Gate Cemetery.

It also was pointed out that families in the Northern California-Nevada area notified of arrival of bodies from Europe, the first of which reach New York October 25, can expect a wait of as much as three weeks due to the distance and the number of rail transfer points and rail connections necessary to effect final delivery.

Del Norte County Fishing

Many sizeable salmon were taken this week on the Smith and Klamath Rivers, Del Norte county, according to the National Automobile Club. Steelhead fishing on these rivers has been very slow recently.

NEW MOTOR VEHICLE LAWS NOW IN EFFECT

Under the new law, the driver of a motor vehicle must yield the right of way to a pedestrian approaching on a sidewalk which he intends to drive over or upon. Among places this would apply are driveways to service stations, garages and other drive-in establishments.

* * *

The new law makes the driver of a motor vehicle as well as the passenger concerned responsible if he knowingly permits passengers to ride upon any portion of a vehicle not intended for them. Under the old law, the passenger alone was responsible.

* * *

It's now against the law to open the door of your automobile on the traffic side unless it is reasonably safe to do so. If you do you must close it as soon as your passengers are loaded or unloaded. This is a new provision in the State Vehicle Code.

* * *

It no longer is necessary to stop for a school bus provided it is in the opposite roadway from you on a divided highway. However, if you overtake or meet one on an undivided highway, discharging or loading passengers outside of a business or residence district, you still must stop before proceeding cautiously at a speed of not more than 10 miles per hour.

The 1947 Legislature enacted a law requiring that where a roadway is not bounded by any curbs or barriers, parallel parking is required unless otherwise indicated.

* * *

It is unlawful to engage in a motor vehicle speed contest or speed exhibition upon any highway or to aid and abet such activities. You also are liable to arrest if you participate or assist in barricading or obstructing a highway for such a contest or exhibition.

* * *

If you're a motorcyclist and want to carry a passenger be sure your "motor" is equipped with a seat securely fastened behind you and provided with foot rests or handgrips. Otherwise, you must get a sidecar to transport your passenger.

* * *

When passing another vehicle on the right hand side be sure not to leave the paved or main travelled portion of the highway. This clarifies the language of the old law which said that you couldn't pass to the right by driving on the highway shoulder.

Highway Work Near Eureka Completed

Improvement work on two sections of the Redwood Highway, U. S. 101, south of Eureka has been completed, the California State Automobile Association reports. One is a six-mile section south of Scotia, where construction has been under way since early June; the other is realignment work south of Piecy, in northern Mendocino county.

Trout Limits Taken

Several limits of golden trout have been taken recently from upper Bear Creek, Fresno county, reports National Automobile Club.

Night Drivers

"Wise night drivers always drive at a pace that will permit them to come to a full stop within the distance illuminated by their headlights," declares Bert Stewart jr., director of public safety for National Automobile Club. "Those who drive headlong into darkness may very well be driving headlong

News Notes For Veterans

Disabled veterans are entitled to many Federal benefits not available to the non-disabled, according to Veterans Administration.

Some of these benefits are explained in the following replies to the 10 questions most frequently asked by disabled veterans during a study VA conducted to learn how much they know about the Federal program:

Q. What benefits does the disabled veteran receive under the vocational rehabilitation program that are not available to him under the G.I. Bill?

A. The disabled veteran receives several additional benefits under the Vocational Rehabilitation Act (Public Law 16). During his vocational rehabilitation and for two months after his employability has been established, a veteran with a disability rating of 30 per cent or higher receives at least $115 a month if he has no dependents, or $135 if he has a dependent, plus $20 for one child, $15 for each additional child and $15 for a dependent parent. If the veteran has a disability rated at less than 30 per cent he receives at least $105 if he has no dependents, $115 if he has a dependent, $10 for one child, $7 for each additional child and $15 for a dependent parent. He may receive more than these guaranteed minimums if his disability compensation, or retirement pay, plus the standard allowances of $65 or $90 a month, is higher than the amount guaranteed under the act. Other advantages include certain traveling expenses, other than daily commutation; availability of a $100 government loan; extension of training entitlement under certain conditions, and personal guidance and attention by VA training officers. Additional details may be obtained at any VA office.

Q. Does VA help the disabled veteran get a job after he finishes his training?

A. Yes.

Q. What is vocational advisement all about and why is it required under this program?

A. The main purpose of vocational advisement is to determine whether a disabled veteran should train for a profession, or for a particular trade or occupation based on his previous education, experience, personal desires and present ability. He is required to take a series of aptitude tests at a VA guidance center where he is interviewed and counseled by a group of highly trained specialists. His desires will be permitted to govern in most cases, but the counselors are required to advise him against starting a course for which his aptitudes or physical limitations do not insure a reasonable likelihood of success. In short, this advisement is required under the program to insure the disabled veteran's proper rehabilitation.

Q. Will the disabled veteran's disability compensation be reduced if he goes into training under this program?

A. No.

Q. What happens if the disabled veteran fails in his course under this program?

A. Generally, VA will take special steps to enter him in another course in which there is every likelihood he will complete successfully. The situation depends on the facts and circumstances in each case.

Q. What are the conditions for eligibility under this program?

A. A disabled veteran must have had active service on or after September 16, 1940 and before the official end of the war, with a discharge under conditions other than dishonorable. He also must show a need for vocational rehabilitation to overcome the handicap of his disability.

Q. How much VA supervision and assistance does the disabled veteran get in his training?

A. VA training officers inform and assist him in all matters affecting his training. They are continually on the alert for circumstances that might prevent his proper progress and they exert every effort to remove these obstacles.

Q. What is the maximum length of training a disabled veteran can get under this program?

A. The maximum is four years; however, VA may extend the time if factors in any case warrant an additional period for rehabilitation.

Q. What happens if a veteran in training under this program becomes ill or is injured?

A. Under certain conditions, if the veteran is injured, suffers a relapse, or if his disability is further aggravated during his training, he may be granted an increase in the rate of his disability compensation. If he requires hospitalization, it may be furnished at government expense.

Q. Must a disabled veteran go to a vocational school or may he go to a liberal arts college, high school, or similar institution under this program .

A. He may enroll in any VA-approved educational institution or training establishment offering the course of training which VA has found he needs to insure his proper rehabilitation.

Exploration Started By U. C. African Party

Exploration has already begun in the Fayume Desert region near Cairo for remains of what may be the world's first anthropoid apes, it has been disclosed here by Wendell Phillips, leader of the University of California African Expedition.

Meanwhile, a second major party of the northern section of the expedition has departed Norfolk, Va., aboard a U. S. Naval vessel for Alexandria, Egypt. The party is led by Dr. V. L. VanderHoof, professor of geology at Stanford University and formerly on the staff of the University of California Museum of Paleontology.

The party will be met by William B. Terry, field executive of the northern section, who is directing activities in the Fayume Desert. The northern party eventually will consist of about 25 scientists and specialized technicians, who will work near Cairo until February, when they will move their headquarters to Kenya Colony.

The South African party of the big expedition, supervised by Dr. Charles L. Camp, director of the Museum of Paleontology, is searching for early specimens of fossil man near Johannesburg.

"High Prices And High Profits" Is Conference Text

Representatives of all housewives' and civic groups are urged to attend the Consumer's Conference on "Skyrocketing Prices and Excessive Profits" which will be held Monday, October 13, at 8 p. m. in the Western Women's Club, 111 O'Farrell street.

Mrs. Sara Elber, publicity director of the San Francisco Council of Women Shoppers which sponsors the meeting, stated the Conference will be the springboard for the citizens of San Francisco to really do something about high prices and excessive profits.

Further details about the Conference may be obtained by calling Mrs. Elber, ATwater 2-8704, or secretary of the Council, Mrs. Betty Hirschfielder, MIssion 7-9422.

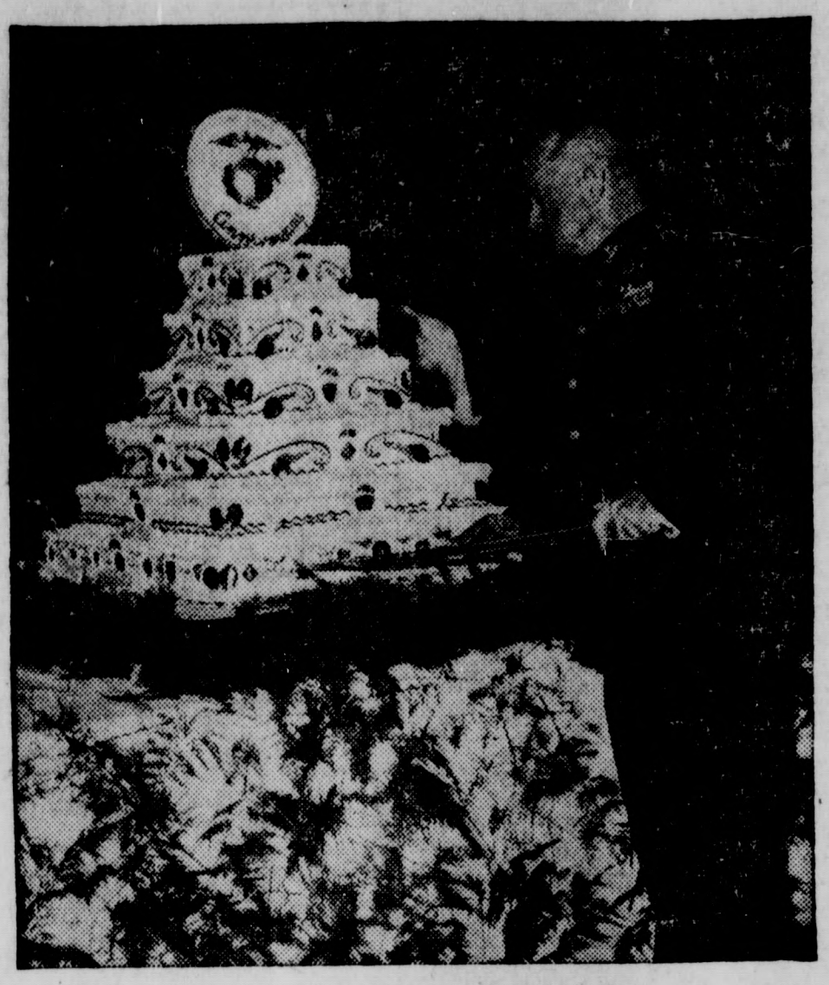
Commandant Cuts Birthday Cake



Traditional cake-cutting ceremonies and the reading of the birthday proclamation are highlights of Marine Corps birthday observances at posts and stations around the globe. On November 10, the Marine Corps will celebrate its 172nd Anniversary. General A. A. Vandegrift, Commandant of the Marine Corps, does the honors in this typical birthday scene.

OUTBOARD MOTOR
Time flies and Christmas will soon be here . . . especially for those who want to make the holiday a memorable one for the outdoor sportsman. Whether it's husband, father, son, brother, uncle, or sweetheart, he'll look on this Christmas as the biggest one of his life if you give him a MARTIN OUTBOARD MOTOR. Right now is the time to arrange guaranteed Christmas delivery of this fine motor . . . the new standard of performance in outboard motors. Now, too, is the time to arrange for easy payments so that this most-wanted gift can be entirely paid for when the big day for giving rolls around.
Shown here is the MARTIN '60' Alternate Firing Twin. Weighing only 43 pounds, it develops 7.2 brake H. P. at 4000 R. P. M.
An addition to the MARTIN line is the new MARTIN '40' which weighs only 35 pounds, and which develops 4½ H. P. at 4000 R. P. M. Another great alternate firing twin!
These features and many others make a Martin MOTOR the most-wanted gift for any sportsman
● Mechanically-controlled poppet valves, an exclusive MARTIN patent in two-cycle motors insuring uniform fuel distribution. This means instant starting, unbelievably slow cruising, instant and uninterrupted acceleration, surprising quietness in operation, and exhilarating top speed.
● New Martin Vertical Stern Adjustment (Patent pending)—Enables operator to attain correct vertical adjustment while underway.
● Power-head swivel, 360° (Patented)—Lower unit can swing into boat, permitting easy inspection.
● New Streamlined, Leak-proof Filler Cap—Combines vent and spare shear pin clip. Replaces old style screw-on type.
● Alternate firing
● Propeller clutch
● Steering stabilizer
● Full reverse steering
● Easy grip stern bracket handles
● Depend-a-pull starter
● Long-life sintered bronze rust-proof bearings
● Positive rotor water pump
● Synchronized and centralized controls
● Resiliently mounted handles and power head
● Quiet underwater exhaust
● Positive oil and grease seals
